WEDNESDAY, JUNE 5 - FRIDAY, JUNE 7, 2019

Come explore and learn with us in the Land of 10,000 Lakes as our third-annual History and Culture Travel Experience takes us to the Twin Cities! This year's extraordinary road trip will include visits to a few of the area's most iconic sites along with many hidden gems you may have missed on previous visits.

Trip highlights include:

- An overview of the mansions of Summit Avenue, including a guided tour of the James J. Hill House, the historic home of the Great Northern Railway's "empire builder."
- A walk through the stunning Sculpture Garden at the Walker Art Center.
- Guided tour of the Minnesota State Capitol which touts the second-largest unsupported marble dome in the world after Saint Peter's Basilica in Rome.
- A visit to the Mill City Museum, on the banks of the Mississippi River, to investigate the Twin Cities' historic ties to flour milling and other industries that used hydropower.
- Gourmet, private group dinner at the University Club of St. Paul.
- Sightseeing visits with local guide to Minnehaha Parkway, the Minneapolis Chain of Lakes, the Guthrie Theater, Fort Snelling and Crosby Farm Park.
