

Madison Club COVID Virtual Events

In case you missed any of our great events, here is a list to access everything we have offered to our members:

Cooking Videos:

1. Pizza Making with Chef Adam & Chef Kristin featuring our first ever homemade pizza kits!
<https://vimeo.com/401354376>
2. Follow along with Executive Chef Adam as he teaches you how to make the perfect Cheese & Charcuterie Board with our "Date Night Kit" <https://vimeo.com/402736343>
3. Do you love our signature frosted sugar cookies as much as we do? Check out our blog with videos & recipes to make and decorate cookies just like Pastry Chef Judy! <https://www.madisonclub.org/cookie-decorating/>

Crafting with the Kids:

We've partnered with the [Monroe Street Arts Center](#) to bring our members a series of crafting videos to help entertain the kids while you're stuck in the house!

Follow along with Art Director, Jess Jacobson, for short instructional videos on how to make projects at home with common household supplies!

1. Tie dye coffee filters: All you need is a coffee filter, washable markers, a permanent marker, water, and a paint brush or sponge. <https://vimeo.com/400381010>
2. Pop-up art: All you will need is paper and markers, crayons, colored pencils or paint.
<https://vimeo.com/401925919>
3. Water Color Paint: Make your own water color paint with common pantry staples - all you need is corn starch, white vinegar and food coloring. <https://vimeo.com/404717489>
4. Accordion & Chain Snakes: All you need is construction or regular paper, scissors, markers and glue!
<https://vimeo.com/405824310>
5. Mud Painting: All you need is thicker paper, watercolor paint, crayons or markers, and some mud!
<https://vimeo.com/405832676>
6. Bug Collection Drawing: All you need is paper, scissors and tools to draw such as colored pencils, markers, paint, or pencils.
