THE MADISON CLUB NEWSLETTER | OCTOBER 2020

## A MESSAGE FROM LEANNE

Dear Members,

Fall has officially arrived. The leaves are beginning to transition to a beautiful palette of fall colors, the days will become noticeably shorter and the morning air, crisp. With so much beauty to enjoy, Fall is usually a season I look forward to. Under the current circumstances the changing of seasons from Summer to Fall feels a bit different this year.

While Covid has hindered many indoor gatherings this past Summer, many of us have increasingly moved outside to enjoy the fresh air and quality time with families, friends and colleagues. The colder weeks and months ahead will inevitably dampen outside socializing.

I truly believe that during these unprecedented times human connection and interaction is more important than ever for mind, body and soul. It's equally important to create safe environments and opportunities to do so. With the changing of seasons, The Madison Club team recognizes this need and has worked relentlessly to create spaces where our membership can come together and feel safe while still fulfilling the human need to interact with others.

Our goal is to be the first place you think of when you feel that itch to get out. If you need to get your children out of the house, our staff will provide all the tools to keep your children entertained so you, too, can enjoy your meal. Many other establishments are and will continue to quickly meet their capacities during this season's football games. Get your friends and family together and enjoy the game in the privacy of your own room with the best bar food in town. If your company meetings and retreats need to be re-charged, let us create safe space for your team members to come together. It's scientifically proven that a change of scenery can promote creativity and increase productivity levels.

Whenever the occasion to get out arrives, we are here for you and are working hard to ensure we can continue to be of service to our membership family for many years to come.

# SNOWGLOBES

*Something truly enchanting is coming to the Madison Club this season, and it will whisk you away to a stunning winter wonderland.*

While dining is usually held indoors during this time of year, you'll soon be able to enjoy dining on our patio all fall and winter season long in our Snowglobes.

Two clear, heated globes are coming to the rooftop patio this October! Our Snowglobes offer a clear view of the lake, glowing stars, snow falls, and so much more. Equipped with trendy decor, twinkling lights, a Snowglobe Concierge, and perfectly crafted food and beverage packages, the Snowglobes will leave you with an evening you'll never forget.

Members can indulge in a variety of hors d'oeuvres and cocktail packages to satisfy your entire globe group all while taking in an unforgettable view of the city.

The food packages are comprised of dishes such as seasonal cheese plates, mini tacos, Alaskan seafood towers, and skewers. The dessert package features member favorites including churros, chocolate covered strawberries and petite towers.

The beverage packages include anything and everything you could ever want. From Manhattans to Hot Toddies we'll have options to cool off or fire up your globe.

It's time to shake up 2020 in a positive way with a one-of-a-kind wine and dining experience so mark your calendars and call in your reservations! The Snowglobes will begin on October 9th with availability to rent in two-hour time blocks from 5:00 - 7:00 PM or 8:00 - 10:00 PM. Get ready to relax in a luxurious snow globe and gaze out at the wonderland around and enjoy gourmet dishes and beverages.

Please call the front desk to reserve your Snowglobe: 608-255-4861. Following your reservation, the front desk will send out everything you need as well as our food and beverage menus for you to pre-order. [Click here](#) to learn more and to access our [Snowglobe FAQs](#).

# This is what we strive for with our member experiences...

“ *Our daughter and granddaughter made a road trip to visit us for a few days. We had dinner with them and our local daughter at the Club last evening. We were seated on the balcony outside Churchill's. The evening was absolutely beautiful albeit a bit cool. But, we all agreed that our dining experience was exceptional. The food was amazing. The service excellent. And your attention to Covid restrictions and safety efforts were also amazing. We have not dined out at any local restaurant, including the Club, since this pandemic began (carryout/ curbside pickup only). Your staff was amazingly welcoming and pleasant and made us feel safe and comfortable. Thank you for your attention to detail in managing this historic chapter in the life of the Club and in our lives. We continue to love this very special place.*

*Thank you for your work in making it so. ”*

*Regards,  
Chuck and Jan*

Our number one goal is to provide our members with a safe space away from home. We will continue to think outside of the box to provide each of you with benefits to take advantage of whether that is in the Club or in your home. This fall we are focusing on new dining experiences. From date nights to Snowglobe dining, we hope to brighten cool, gloomy days and bring you a sense of “normalcy” this holiday season.

# Join us for our exclusive, Chef inspired events

## JOIN US FOR SURPRISE DINNERS IN 5 EAST

After a long six months isn't it time to have a little fun? If you answered yes, then join us in October for our Chef inspired surprise dinners! Almost every weekend this month, you can join us in Five East Lounge for our new themed dinners with perfectly paired beverages that Chef Adam, Chef John and Beverage Master David have created.

Why attend these events? To support your Chefs, your Beverage Manager, and your Club, and to experience an evening of dining like no other you've had at the Club! You'll be completely surprised with each course, you'll have the opportunity to talk with your chefs, AND you'll have a fun night out of the house back in our favorite Five East Lounge in a social distanced setting!

Because we want these dinners to be exclusive, intimate and safe, we will only be offering dining at 7:00 PM with seating limited to five tables. To reserve your spot please call the front desk at 608-255-4861. Please note, if you have food allergies, please let the front desk know so the chefs can modify your dish.

We're kicking off the first surprise dinner with Oktoberfest but if pretzels and lagers aren't your thing, then mark your calendars and join us for a different themed experience! Watch your weekly emails for more information on the upcoming events:

**Friday, October 2nd & Saturday, October 10th: Oktoberfest**

**Friday, October 23rd & Saturday, October 24th: Anthony Bourdain Tribute**

**Saturday, October 31st: Halloween**

# Spice up your fall

## PREVENT THE "WINTER BLUES" WITH OUR DATE NIGHT THURSDAY

As we say goodbye to the long summer days, don't let the "winter blues" get you down. We know venturing out during the cold may not appeal to you but with our Thursday date night special we promise it'll be worth it and we bet you'll feel so happy you and your significant other took some time for yourselves! Plus, with our underground parking you don't even have to walk in the cold!

Every Thursday in Churchill's we'll be offering candlelight, fine-dining at a great price. There will be a special tasting menu where you each will be able to select your individual starter, entree and dessert, plus a bottle of wine to share all for \$65. Reservations are required in order to plan accordingly. Please call the front desk to reserve your spot at 608-255-4861.

## DINING OUTSIDE? IN THE FALL?

"You betcha!" as Dining Room Manager Aivars would say! With patio heaters and blankets, our patio season has been extended!

Like many of us, we love the first few weeks of fall - the leaves are changing, the pumpkin dishes are returning, and the crisp air is a nice change. What many of us don't love, is the shorter days, the thought of winter, and *usually* saying goodbye to outdoor dining. Well this year, you don't have to!

Due to our current "situation", we know many of our members have loved the ability to get out of the house to enjoy a delicious meal and gorgeous views from our patio. We also know many of our members feel more comfortable dining outdoors. With our goal to cater to all, we are striving to continue to provide each and every one of our members with benefits to enjoy while feeling safe. We will continue to offer patio seating with heaters and blankets as long as the season allows. Call us to reserve your spot!

# Save the dates

## SIP ON THE WINES OF SLOVENIA & CROATIA

THURSDAY, OCTOBER 8TH AT 6:00 PM & 7:45 PM - \$29 PER PERSON

---

Join Beverage Manager David and presenter, Ilya Shchukin, cofounder of Vinum USA, Inc., on Thursday, October 8th at 6:00 PM or 7:45 PM where members will enjoy the wines of Slovenia and Croatia.

Vinum is the leading importer of top-quality, traditional, terroir-driven Croatian and Slovenian wines in the United States. Much like the Greek wine tasting so many members enjoyed a couple of years ago, this eye-opening tasting will focus on distinct and exciting wines from grape varieties indigenous to these two unique countries with a common history.

Like our prior wine tasting, seating will be appropriately spaced and your wine and light hors d'oeuvres will be individually served to your table. Reservations are required. **Please call the front desk to reserve your spot and if you join us in Churchill's before or after the event, you'll receive \$10 off of your bill - the perfect time to enjoy our new Thursday Date Night!**

## LEARN HOW TO PLATE FROM THE PROS JUST IN TIME FOR THE HOLIDAYS

WEDNESDAY, NOVEMBER 11TH AT 6:00 PM IN THE ATRIUM - \$60 PER PERSON

---

Do you ever wonder how the Chefs always manage to make your dish look so beautiful? Well if you join us on Wednesday, November 11th, you'll learn from your Executive Chef Adam!

With the holidays right around the corner, Chef Adam is inviting only 12 members to allow for proper social distancing to join him at 6:00 PM in the Atrium to focus on plating techniques. At this event, Adam will cover topics such as how the color, texture, shape and size of each ingredient affects a plate design, how to sauce food properly, garnishes and finishes, and more!

This is the perfect class to learn how to impress your guests for your family gatherings this year so call the front desk by November 7th to claim your spot! The class will be \$60 per person and will include everything you need plus a variety of beverages and light hors d'oeuvres for you to enjoy while you learn how to become a "plating pro."

## VIRTUAL WISPOLITICS

FRIDAY, OCTOBER 2ND FROM 12:00 - 1:00 PM

Join WisPolitics.com for a virtual lunchtime discussion on top election issues with experts from UW-Madison's La Follette School of Public Affairs including Menzie Chinn (economy), Geoffrey Wallace (racial justice/inequities), Greg Nemet (climate) and Christine Durrance (healthcare).

The event will begin with a moderated discussion with the panel and then shift to questions from the audience. The program is set to run from 12:00 PM - 1:00 PM online. Attendees can expect a well-educated and savvy crowd as Jeff Mayers always leads a lively conversation.

# HOLIDAY TRADITIONS WITH A TWIST

Although the holidays will look different this year, we're not letting go of our holiday traditions! What you can expect to see this holiday season:

## TRICK-OR-TREAT WITH MEMBERS' FAVORITE DESSERT:

Halloween will be a tough one for many of our kids this year so treat them to something special that requires no work on your end! Pick-up our member favorite sugar cookies this Halloween for you and the family to enjoy! Cookies will be festive, delicious and available to order in quantities of a half (\$16) or full dozen (\$32). To place your orders, please contact the front desk at 608-255-4861 by Saturday, October 24th.

## LEAVE THANKSGIVING TO US:

Our annual Thanksgiving celebration likely won't be an option inside the Club this year but don't worry, you can still leave the cooking to us so you can enjoy your holiday! We'll be offering full take-and-bake turkeys (brined & seasoned) plus all of your favorite Thanksgiving sides to-go so whether you need to feed two or your entire family, we'll have you covered. Stay tuned for more details but in the meantime, you can stop the holiday recipe searching because we're here to take care of you just like every year!

## GINGERBREAD HOUSE DECORATING TRADITION:

Bring the kids for a fun morning of gingerbread house decorating on Saturday, December 5th from 9:00 AM - 12:00 PM. Just like we have done in past years, we will provide everything you need to decorate the perfect gingerbread house!

We will offer this event in both a social distanced setting along with breakfast served to your table to keep you and the kids fueled all morning long! Breakfast will include your choice of pancakes or a vegetable quiche along with breakfast pastries and beverages, including mimosas for the adults. Gingerbread houses are \$35 and breakfast will be \$19.95 for adults and \$9.95 for children 12 and under. There is no charge for kids ages two and under. Call the front desk to reserve your spot or to rent one of our private meeting rooms for you and your family. Spots sell fast for this time-honored tradition so call us right away!

## RELISH IN THE HOLIDAYS WITH OUR CANDLELIGHT DINNERS:

We look forward to our candlelight dinner tradition and this year will be no different! This December we will offer four-course candlelight dinners in the Club. More details to come in your November newsletter.

## OUR FAVORITE NEW YEAR'S EVE YET:

We know it may sound impossible for this to be our favorite New Year's Eve, but with our "3 ways to celebrate" we're ready to bring in a new year Covid style! From dining under the glass roof for our "early birds" to a special tasting menu in Churchill's and even a special package in our Snowglobes for our "night owls," our New Year's celebration will be one you don't want to miss! Watch for all the details coming soon as tables (and Snowglobe rentals) will go fast!

# HOLIDAY PARTIES

## *re-imagined*

We know holiday celebrations may seem out of reach this year but we're here to tell you they're not. The holidays are meant to be filled with those who bring you joy and this season should be no different. From our holiday packages to our holiday twists, you can still host a family or work party with ease! Here are a few ways how:

### 1. WORK WITH THE BEST

We are consistently rated as one of Madison's top venues for events. From our talented culinary team to our event experts, we're here to make your guests feel comfortable and your party planning process a breeze!

Our members' and guests' safety is our top priority. From extensive COVID training and safe food handling, to personal protective equipment (PPE) and daily staff screenings, we're not taking COVID lightly. And we're happy to report it's paying off as we have heard nothing but positive feedback on how safe our members and their guests have felt in the Club.

### 2. HAVE A SHIFT HOLIDAY PARTY

A shift holiday party is a celebration with multiple small groups of people on your party date, over multiple days, or in multiple rooms! Whether you want to organize your guests into time shifts on one day, rent multiple rooms on one day, or split up your party over multiple days with smaller groups, or it's completely up to you. Shift holiday parties are a great way to celebrate with more guests and avoid the chaos of cutting your guest list.

### 3. MAXIMIZE YOUR BUDGET WITHOUT MINIMIZING YOUR EXPERIENCE

How to do this? It's really up to you but here are a few examples: if you're a foodie you can work with our Executive Chef to create your very own customizable menu, if you love cocktails you could have a drink station with exclusive drinks created just by you, or maybe if you and your family love sweets you could work with our pastry chef to create the most delectable desserts... Whatever it is we can work with you to make your intimate holiday party have all of the special touches that make your party the one guests won't forget.

### 4. CUT YOUR GUEST LIST

You probably won't be able to invite 100+ people to your holiday party this year so start by reducing your guest list! For a business holiday party, maybe you invite just the managers or directors this year. For a family holiday party, maybe it's a celebration with only your immediate family. Think about those you spend the most time with on the holidays and if they weren't there, your holiday just wouldn't be the same.

### 5. LEAVE IT TO US

We are the experts on throwing spectacular and memorable events and this year is no different. Let us handle the planning for you! On the following page you will find our inclusive holiday packages. Alternatively, we'd love the opportunity to work with you to create a customized option that fits your vision! Contact Leanne at [sales@madisonclub.org](mailto:sales@madisonclub.org) or 608-255-4653 to discuss how we can make your holiday party both safe and successful.

# TELL YOUR MEMBERSHIP STORY

Our future depends on your support

Something this good should not be kept a secret. Help us continue our story so others can experience life at the Madison Club.

The thing that truly makes this Club special is you - the members who fill our dining rooms, discuss business deals over lunch, gather for life's milestones, and become a part of our family. The memories you've made, the moments we all love from our Five East photo wall - these are the stories that make us who we are.

In order to continue our story, I need your support now more than ever. Of all the challenges the Club has faced over its 100+ years, we never dreamed events would be cancelled indefinitely or that we would be limiting how many members we can serve. Even though nothing in the hospitality world is the same, the one thing that will never change for private clubs to exist, is a strong membership base. If each member referred just one person to join the Club, together we can ensure a bright, more viable future for our Club. So, I am asking you to tell your personal membership story to friends and colleagues and invite them to join. Share with them why the Club has been important to your life, and why you hope it can be important to theirs. Let them know this is the only place you trust - the only place you feel welcome, safe, and well taken care of, no matter what life throws your way.

It's really quite simple - one name from each of you now can make all the difference for us to continue our story for years to come. Email me, call me, or invite them to the Club, and I'll take it from there: [slensmire@madisonclub.org](mailto:slensmire@madisonclub.org) or 608-255-6437.

Sarah Lensmire,  
Membership & Marketing Director
