The Madison Club: *for your Career & Community*

The Madison Club, located in the heart of downtown on Lake Monona, is home to some of Madison's best and brightest professionals. Well known for our award-winning dining, meetings and banquets, the Club is a great location for networking and meeting lifelong friends and business partners. The Club hosts many networking events each year, including Momentum Happy Hour, Leadership Forum, WisPolitics, and Roundtable Lunch, as well as hundreds of other events like dinners, comedy shows, local travel, patio parties, live music, and wine tastings.
